

# Bookings & Frequently asked Questions...

---

We are a primarily a custom studio but if you just want something small done you can usually just come in to the shop with a rough idea of what you want and our receptionist will pass it on to an artist to use or redraw if necessary and we will book you in.

- Medium to large scale custom work will require a free consultation with one of our artists to discuss your ideas.
- Consultations are free and will take anywhere from 5-15 minutes.
- If you know the artist you would like, please ring one of our shops and book your consult.
- If you don't have a specific artist in mind please feel free to come in to the shop with your ideas and our receptionist will book you in with the appropriate artist.
- Please bring any reference pictures you have to best communicate your ideas to the artist.
- If you want to book appointments for you tattoo we will require a \$50 CASH deposit for a single session and \$100 CASH deposit for multiple sessions (deposits will roll over and be deducted from the last session). You will not be able to book your appointments until you can provide your deposit. We will book all of the sessions required to complete your tattoo with each session being approximately 2 weeks apart.
- If you work away please bring in a copy of your roster so we can book your appointments accordingly.
- You will be able to see a rough sketch of your design about a week to ten days before your appointment. This will give the artist time to make any changes you may want.
- Artists will not draw anything for you unless you have an appointment booked.
- If you are unable to come in to our shop because you live outside of Perth and you would like to get some work done, please email us your ideas and we will see what we can do for you.
- All of our artists have varying waiting times for available appointments, if you want to get tattooed as soon as possible please ask us how long the waiting time is for appointments with your preferred artist.
